WEBSITE DEVELOPMENT

Make your vision and ideas reality with our top team of creative minds. Your custom website will be attractive, user-friendly and deliver strong branding and a great user experience for your customers. Better yet, the design, management, development and hosting requirements are all fulfilled from one location! Need marketing? We can help with that too.

- We've developed incredible websites for clients in nearly every area of interest.
- We design, we build, we host, we market, and we support. We do not outsource.
- We build websites that complement a business' central message and drive sales.
- We offer expert consultation to help your website and your business to evolve.
- We continue to support your business and your website long after launch.

GRAPHIC DESIGN

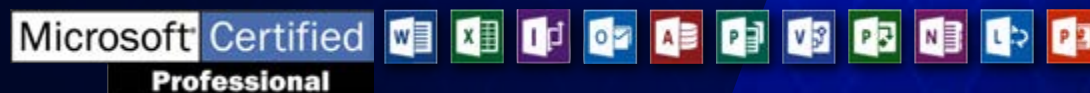

From some of the most beautiful and effective business cards you've ever seen, to tattoos, event posters, trade show banners, vehicle decals, 3D characters, conceptual art, ... pretty much anything you can think of, we probably design it. Our little studio packs over 50 years of in-house practical design experience and a portfolio of past works you have to see to believe.

SERVICE & MAINTENANCE PLANS

Plans to suit both short and long-term business goals. Designed to save you money while providing security in knowing you have reserved blocks of priority service time that can be applied to almost every service Alchemy Imageworks provides. Peace-of-mind now comes in 20, 40, 80, and 120 hour packages.

- **Reserved Hours of On-Call Service & Support**

Up to 16 Trip Fees Included – Maximum 65km Range

- **Save up to 12% on our regular hourly rate.**

Advance reservation of hours saves you money!

- **Save on Overtime Hours**

Hours incurred above package total within contracted timeframe are billed at -10%. Save even more money!

- **Bankable Hours**

Hours banked that not scheduled within a given month are stacked against the following month for up to a year. Apply your saved hours toward larger future projects and save!

- **Transferable Hours**

Contracted hours are transferable at equal value (1:1) to graphic design hours and website development hours. This way, if service hours are not consumed, then constructive and marketable time can be applied in developing new graphic content such as flyers, cards or providing valuable website content updates to your current online presence.
